From The Principal

With the new year comes new beginnings, new opportunities and new goals and targets around the children’s learning. Welcome back everyone and a warm welcome to the new families that have joined the Ascot Vale school community this term. We are beginning the year with a projected enrolment of 234 students and 16.2 full and part time staff members. We have welcomed Ian Lumb to the school as our PE teacher as Michael will be working full time this year in his Assistant Principal role. We have families joining us from Sweden, NZ and India as well as local families and, of course, our 39 new Preps. I would like to thank the parents who provided a lovely morning tea last Friday and then stayed for a cuppa to introduce themselves to the new parents.

Our family picnic on the oval scheduled for Tuesday 26 February will be a wonderful opportunity for us to get together to meet each other. The picnic is BYO everything and we all meet and share a meal very casually on rugs on the oval. Working within the AEU bans, the classroom information sessions, have been organised in age stages rather Units this year, with the picnic following immediately afterwards (weather permitting):
Prep/1 families meet teachers in Unit 4 at 3.45 pm
Year 2/3/4 families – meet teachers in Unit 2 at 4.15 pm
Year 5/6 families – meet teachers in Unit 5 at 4.45pm

Have you seen the beautiful 2013 school calendar produced by Aloka and the fundraising team at the end of last year? We have approximately 15 left for sale if you would like to purchase one. They are $15.00 each and our remaining copies are available from the front office. Also distributed with the newsletter this week is an annual calendar with our term dates and 2013 curriculum days highlighted for your information. This calendar advertises local businesses within our school community.

I have updated the Key Dates, front page of our newsletter, to take us through to the end of this term. I am hoping that you will feel well informed about major events for the year and that you will be able to join into as many school related activities as possible. The first School Council meeting for 2013 is on Monday 18 February, 7pm. Our School Council President, Cheryl Blair, welcomes all parents as visitors to any meeting. Please let me know if you are interested in formally joining School Council as a Parent representative as our vacancies and call for nominations come up at the end of this month.

2013 will be an active year with a school concert (in September), our usual Science and Arts festivals and perhaps a Fete. Usually our camps are held in term 1 but this year, they have been booked for October, term 4. We are seeking to avoid the complexity of AEU work ban issues for teachers and our ability to operate camps for the children.

Unfortunately, the industrial campaign between the AEU and the government continues on and, this month, a proposed Stopwork is planned for Thursday 14 February. With the exception of parent teacher interview meetings, bans around teacher work outside their 38 hour Agreement remain in place until further notice.

I wish everyone a successful 2013.
Joanne Roberts, Principal

From The Assistant Principal

MEDICATION

A range of documentation has been sent home this week. If your child has a known condition, please fill in the appropriate paperwork and return this to me as soon as possible. This documentation is important to ensure the safety and wellbeing of all of our students.

From time to time it is necessary to update student medical and home contact information. If this is the case we ask you to come to the office or write to us to alert us of any change.

AMBULANCE SUBSCRIPTIONS

It is highly recommended that ALL families cover their children for this service. Currently subscriptions are reduced by almost 50% as part of a state government initiative (approx. $75 for a family/year). Knowing your child is covered means you/we can call an ambulance for a family member without fear of the costs you may incur it will also cover you if someone calls an ambulance on your or a family members behalf.
If you leave your children in the care of others, family membership is a must. In many cases, kindergartens, childcare centres, schools and sporting clubs will call an ambulance as a precautionary measure if your child is sick or injured. Medicare **does not** cover ambulance service transport and treatment. Schools **do not** cover this cost.

**ANAPHYLAXIS**

Anaphylaxis is a severe and sudden allergic reaction and is potentially life threatening. It needs immediate treatment and urgent medical attention. The most common allergens in young children are eggs, peanuts, tree nuts, cow’s milk, fish and shellfish, wheat, soy, certain insect stings and medications. As part of our planning for the start of the school year, our staff have been involved in a 3 hour training course, provided by St. John’s ambulance, about Anaphylaxis, specifically knowledge about the condition, management and action plans and how to use the auto injectors of adrenaline. We currently have 5 students who potentially could suffer from anaphylaxis and 10 more students who have allergies. Please familiarise yourself with our Anaphylaxis Management policy, which can be found online at [http://www.avps.vic.edu.au/documents/AVPSAnaphylaxisManagementPolicy2012.pdf](http://www.avps.vic.edu.au/documents/AVPSAnaphylaxisManagementPolicy2012.pdf).

**PREP TESTING – ENGLISH INTERVIEW**

Prep students are not required to be at school on Wednesdays during February. During this time, prep teachers will be facilitating the English Online Interview. The English Online Interview is a powerful online tool for assessing the English skills of students. The Interview assesses students across the three modes of English in AusVELS (the Australian Curriculum in Victoria) – Reading, Writing and Speaking and Listening.

The English Online Interview is a one-to-one interview between a teacher and student, using texts and downloadable resources designed specifically for the Interview.

Teachers will invite you shortly to one of these sessions with a specific date and time for you to attend. Please see your classroom teacher if you require any further information.

**PREP FOR PARENTS**

Each week, I will share with you articles from DEECD that cover topics like what Preps learn at school, learning to read, understanding maths, the excitement of science, the importance of play, and learning to write. We also include links to further resources and online content to help you support your child's learning journey.

"**The first weeks of school.**"

How your child reacts to starting school will depend on their personality, their background and how prepared they are for this next big step in their lives. By now they'll probably be responding to school in a variety of ways – they might be really excited and looking forward to going to school each day. They may be showing signs of not wanting to go or taking school as just a part of their daily routine. Or they may go through all of these reactions depending on how they feel on any particular day.

Most children will be experiencing some change – after all they'll be learning, playing and interacting with new people and getting used to a whole new environment – it will take them some time to settle in.

Some things you can do to help your child adjust to school include:

- Ensure they have a healthy breakfast – this is important for energy to get through the day.
- Aim to get out of the house on time in a calm, relaxed manner to set up a positive tone for their day. To help you achieve this, try giving your child some simple tasks like putting the cereal or fruit for breakfast on the table or collecting their hat, sunscreen and drink bottle and putting them into their school bag. Don't worry if they are slow or make mistakes with these tasks at first. They will get the hang of it, and it'll be one less thing you'll have to do.
- Make time to chat to your child about what they did at school that day. This will give you a good idea of what they enjoy doing and how they are getting on in their new environment. Remember, your child's emotional reaction to going to school
may vary a lot, especially during the first few weeks.

Develop a bedtime routine so your child can wind down at the end of the day and get a good night’s sleep – children aged five need around 10 to 11 hours sleep a night.

Try not to put too many expectations on yourself or your child; if they are happy and enjoying school, that’s a real achievement. You know your child best. If you have any questions about how they are settling in at school, contact your child’s teacher so you can talk things through together. You can contact your child's teacher in person, over the telephone or via email, whichever suits you and your situation best.

Parents are asked to wait in the yard to collect their child after school. This will avoid potential safety issues associated with congested small spaces and minimise classroom interruptions at the busy end of school day. Please adhere to this new procedure.

**Interschool Sport – Swimming**

**SWIMMING TRIALS**

A reminder that the annual district swimming carnival will be held on Friday 1st March 2013. AVPS trials will be held the week before, Friday 22nd February at 7.45am at Queen’s Park Pool. All students turning 9 (in 2013) or older are invited to try out! Notes will be sent home this week.

**AVPS Girls soccer team**

On Sunday the 27th January, the AVPS girls’ soccer team were lucky enough to act as mascots for the Melbourne Victory women’s soccer team at their grand final appearance. Their job as mascots was to walk out onto the ground with the players and stand in front of them for the national anthem. The girls were required to be at the stadium an hour and a half prior to the game and were able to meet the players and visit the locker room during the rehearsal of their duties. At half time the girls were split into groups of 4 and were able to play some mini games against each other and a number of other school teams. They were very excited at the prospect of playing on the main ground in front of the crowd and being able to be part of the televised broadcast on the ABC. The girls had a fabulous time and showed a great sense of responsibility and sportsmanship on the day. Unfortunately the Melbourne team lost the final but it was a great game and I’m sure they have gained a few extra supporters amongst the AVPS families! A big thanks to all the family members who came along and helped out on the day. – Tara Usher

**Free Fruit Friday @AVPS**

Most parents will be aware that the school has been a past recipient of a Fresh Fruit Friday Healthy Foods DEECD grant. This grant has provided the funding for fresh fruit in all Units once a week for the past three years. The government is no longer making this grant available so School Council will discuss this matter at their February meeting to determine how we proceed from now on. For the time being, please note that Units are making their own arrangements around food for their ‘grazing tables’ and platters of fruit will not come to Units on Friday mornings. Parents will need to provide their own child’s morning tea snack and lunch every day of the week.

If there is a change to this situation, I will let you know via this newsletter. Joanne
From The Business Manager

A warm welcome to new and returning families. I hope you all had great school holiday times and like me, are glad to be back at school. 😊 Below is information that might help you with the administration side of school. Please do not hesitate to come and ask for help or assistance with any administration matter.

Payments to the School

It is imperative that Cash and cheque payments are taken directly to the classroom and handed to teachers in the morning. The teachers then record the payment and use this check list for excursions and activities. School payment envelopes are available from the school office. Please use the purple printed envelopes for fees such as Materials, Swimming and excursions and the red printed envelopes for fundraising activities. To make life easier for teachers, could you please attach any notices to the envelopes rather than insert them with the money? Hopefully, we won’t lose coins that way!! Please ensure you have the correct amount of money in the envelope as the school does not carry a float for change.

EFTPOS payments can be made at the office between 9.00am and 4.00pm. Credit card payments can be made using envelopes, EFTPOS or by phoning the school number. We take VISA and Mastercard credit cards, however we do not take American Express.

Receipts will be issued for all payments and handed to the students to take home. Please check your children’s bags for any receipts and notices from the school.

Spare clothing for accidents

From time to time students (especially new ones) have little accidents and need a change of clothes. Could you please make sure there are spares in a plastic bag in your student’s school bag? Please make sure there are socks as well. We have a few spare items, but we sometimes run out of these or do not have the right size to hand. If there are any students who have grown out of clothing and would like to donate these to the school for spares, it would be greatly appreciated.

Education Maintenance Allowance (EMA)
Submission date 28th February, 2012

To be eligible for the EMA in 2013, you must:

- Be either a parent or guardian of a primary or secondary school student up to the age of sixteen and

- Be an eligible beneficiary of a Centrelink pension, allowance or benefit within the meaning of the State Concessions Act 2004 i.e. – the parent/guardian must be the holder of a valid Health Care Card or valid Pension Card, or be a Veterans Affairs (TPI) pensioner or be a temporary foster parent

The eligibility criteria must be met as at 29th January 2013 (Instalment One) and 15 July 2013 (Instalment Two).

Applications for EMA will not be accepted after Wednesday, 28th February, 2012

Forms are at the school office. Please bring your Centrelink card with you when submitting your form.

Kind regards, Janet Coward

OSHC NEWS

It is simply delightful to see everyone back. The children seem to have had some great times during holidays and it is nice to see them fresh and ready for the new year.

We also welcome all the new families and are eager and excited to get to know them all a bit better. We are looking forward to having yet another great year in OSHC.

There were many activities in OSHC just before school closed last year and I take this opportunity to thank Tony and Andre for bringing in and setting up and guiding the children through the flight simulator. The father and son combination did a great job for OSHC. Andre’s commitment, enthusiasm and assistance was simply wonderful. The children absolutely loved the experience and we thank you both once again. A big thank you also goes out to Sisira who organised the test match for us and our staff for a fun filled Christmas party. We hope that all the families that left us at the end of last year are settling well in their new environments.

We have very many exciting activities planned for this year too. A presentation of the exciting happenings and the work that goes on in a “Mine” an Indian festival of colour, a visit from a Doctor on healthy eating habits are some of the activities planned.

Active After Care sessions will also commence next week. I will keep you informed as soon as I receive the details of these sessions.

Wishing everyone the very best in this new school year,

Dee and the OSHC team.
